

12 Spectacular Pools You Won't Want To Leave

At the heart of nearly all luxury hotels and resorts is a jaw-dropping glimmering pool that beckons guests to come for a dip. Where guests can take a dip to cool off on a hot day, to sit and relax with their favorite cocktail in hand or just to simply float away and forget about the craziness of daily life. From pools with a view to those that give the feeling you are in a tropical paradise to those with stunning vistas and those that are intricately designed, vacationers love to be pampered and these pools do the trick. From around the globe, here are 12 striking hotel pools (in no particular order) that are a must go.

Andronis Boutique Hotel's Cave Pool

Carved into the dramatic crescent cliff of Santorini, [Andronis Boutique Hotel](#) in the village of Oia offers breathtaking views to the infinite blue of the Aegean. Steeped in history and culture, their Executive Suite with Cave Plunge Pool takes inspiration from its surroundings and offers a plunge pool built into an authentic cave. The magical private pool is built right into their accommodations and is kept slightly heated to be comfortable all day and is accompanied by a private sun deck for laying out and catching the rays. Overlooking the volcano that shaped Santorini, adjacent to the cave plunge pool is a Jacuzzi and an elegant secluded terrace.
