

Andronis Concept

WELLNESS RESORT

Philosophy

Andronis Concept Wellness Resort welcomes you to a place of tantalizing beauty and tranquility. The pool suites, are built to capture the sunset over the Aegean towards the caldera, featuring minimalist interiors that fuse traditional Santorinian style with bright, contemporary touches. The result is accommodation as sophisticated as it is warm and welcoming. Private terraces and infinity pools provide the perfect haven for guests to enjoy the vast Aegean panorama as it opens out below them. The serenity of the scene, the elegance of the suites and the five-star service from our staff make this an exceptional experience.

Location

The Andronis Concept is located on the outskirts of Imerovigli on the provincial road that leads to Oia. The Hotel is located on the Caldera Cliffside overlooking the Volcano and offers a spectacular sunset view as well as a sense of seclusion among serene surroundings. In front of the hotel is the famous hiking path that connects Oia and Fira. The airport is only 12 minutes away by the newly constructed road and the port approximately 20 minutes.

Accommodation

Cozy Suite

Wake to spectacular views across Santorini's volcanic caldera in this open-plan 35m² Cycladic-style suite. The tastefully furnished bedroom and bathroom with shower are complemented by an infinity pool for complete relaxation. The terrace is the ideal place to enjoy the island's famous sunset.

Dining

Throubi

In keeping with the resort's holistic philosophy of health and wellness, Throubi Restaurant offers guests nutritionally balanced dishes prepared with expertise by our young and enthusiastic team. The dining terrace and the interior hall offer one of the most romantic sunset views on the island. With enticing cuisine, a warm welcome and the natural beauty of the setting, an evening at Throubi is a true delight.

In Room Dining

Feeling you can't part from the intimacy of your luxury suite? Ask us to organize a fine dining experience at your own terrace.

Cooking Lesson

Experience the secrets of Greek cuisine and prepare a unique meal along with your loved ones under the guidance of our executive chef. With him you will learn the secrets of cooking a series of traditional Greek dishes. You will be able to take notes of the step-by-step recipes while also being involved with the preparation, learning as you go. The cooking class is taking place in an exclusively designed area, close to the nature and is consisting of 3 stages: 1)Tasting 2)Demonstration 3)Participation

Private Dining

Beautifully designed, our private area provides a discreet, indulging & romantic setting for a very special dinner. A wholly discreet and supremely flexible private dining space overlooking the most beautiful sunset in the world. Throubi brings the five-star service along with a degustation menu from our executive chef perfectly combined with a premium wine selection, personally designed from our Sommelier.

Authentic Experiences

Experience Santorini with your Greek friend

Experiencing Santorini with your Greek friend will allow you to visit our most renowned sites as well as those places that only locals know about. You travel at your own pace, with the advantage of being with someone who knows the island well and offers a communication bridge to help you mingle with the locals. Tours are marked with memorable moments and the elegance of the simple pleasures of life that this majestic land has to offer. To celebrate a special occasion during your holiday we can also organise your very own personalised moment of magic. Our Greek Friend service is currently available in English, French, Portuguese and Spanish as well as Greek.

Wine Tours

The tours are hosted by highly experienced sommeliers. Our aim is to provide a pleasant tour around the Island under a friendly atmosphere in the magical world of Santorini vine yard. Working along with half of the wineries located on the island, we have planned a tour that visits daily three wineries approaching each one of them from different perspectives. Every tour has been organized in such a way to provide general knowledge about Santorini's vine yards, viticulture, vinification and wine pairing.

Daily Catamaran Sailing

One of the best ways to experience Santorini's famous scenery is from a catamaran, sailing around the unique and magnificent caldera. The well-equipped catamaran will stop at all the major sights including the rejuvenating Hot Springs. To end the tour, the team will prepare a sumptuous BBQ on board accompanied by free-flowing local wines – the perfect end to a perfect day.

Family Concept

Kids Spa

Why shouldn't our younger guests also get to enjoy beauty and wellness treatments? Your spa holiday with children will surely become a unique experience!

Family Cooking Lesson

Purpose of the family cooking lesson is to deliver to its participants the history of the local dishes and the grandma's receipts as well as sharing the joy in eating all together.

Yoga for Young

Introducing your children to yoga at an early age can help them learn healthy lifestyle habits and set the foundation for a fit future. Get your family practice started in Andronis Concept.
