

The Restaurant

Long before Santorini became known as one of the world's most popular destinations, Oia was a small village with 306 inhabitants, located at the northern edge of the caldera. Lauda, built on this rock in 1971, was the village's first restaurant. It was the place where the locals gathered to talk and drink, the place with the village's only telephone.

Today, Lauda Restaurant is committed to honouring the history and tradition of this unique place. Equipped with exceptional local ingredients and our devotion to the volcanic soil, the native grapes, the aromas and the colours of Santorini we strive to offer you an authentic gastronomic experience.

The Chef

The essence of the menu was created after three years of blending in at this magic island, using influences from the local products – the fresh scorpion fish of Aggelos, the fava beans from Giannis, the juicy Santorinian cherry tomatoes from Michalis – inspired by the Aegean sea and the volcanic cliffs, while respecting the environment and embraced by a passionate team!
