[Greece](#) typically sits atop travelers' must-see lists, and with good reason. It offers abundant history at every turn, gorgeous azure waters, and food so divine you may never want to leave. Of course, some fabulous resorts are sprinkled across Greece too, and our readers were happy to share their favorites.

How Voting Works

Every year for our [World's Best Awards](#) survey, [T+L asks readers](#) to weigh in on travel experiences around the globe – to share their opinions on the top hotels, resorts, cities, islands, cruise ships, spas, airlines, and more. Nearly 165,000 T+L readers completed the 2023 survey, an increase of nearly 25 percent over pre-pandemic voting levels. A total of more than 685,000 votes were cast across over 8,500 unique properties (hotels, cities, cruise lines, etc.).

Hotels were classified as either resort hotel, city hotel, or safari lodge based on their location and amenities, and they were [specifically rated on the criteria](#) below:

- Rooms/facilities
- Location
- Service
- Food
- Value

For each characteristic, respondents could choose a rating of excellent, above average, average, below average, or poor. The final scores are averages of these responses.

What Readers Loved

This year, readers once again showed their deep, unabating love for the islands, with insular resorts nearly sweeping the category, save for Amanzoe at the No. 10 spot in Porto Heli.

But there's one island people are feeling more than the rest right now, and that's Santorini. In fact, hotels located on the island of Santorini took eight of the top 10 spots in this year's list. Once you get a peek at them, you may want to plan eight separate trips just so you can stay at them all. Readers also proved that the Andronis hotel group has still got it, as three of its properties on Santorini made the list. Here are the 10 best resorts in Greece, any of which would be perfect for your next beach getaway.
