

KALLOS
SPA

κάλλος • (*kállos*) in Greek means 'beauty' and 'a beautiful person'

The indigenous concept of KALLOS celebrates the marriage of physical beauty with our soul's virtues to live wholeheartedly in a joyful energy of health and wellbeing.

At Andronis' Kallos Spa we approach you as the unique individual that you are, offering you our philosophy of holistic wellbeing so that you rediscover your best self and, most importantly, live in harmony with you!

With the powerful energy of volcanic, sun-drenched Santorini, combined with our culture of 'xe-nia' – where we welcome you as our friend – we wish you an unparalleled experience here with us.

The Three Essences

by Andronis

We source our essences from an organic farm in Crete, where the soul of the plants – the petals, roots and leaves - are distilled into essential oils of high healing vibration that have a tangible effect on your physical body, your state of mind and your spiritual wellbeing.

● Energy

EUCALYPTUS, BASIL, PEPPERMINT

Ease aching muscles, clear your mind, renew your spirit

● Rest & Calm

ROSEMARY, LAVENDER, LEMONGRASS

Harmonize your emotions, calm your mood, restore your inner peace

● Balance

ORANGE, GERANIUM, SANDALWOOD

Find your joy, feed your passion, love yourself

PATH | MOON | PEACE

Beginning with a foot bathing ceremony, feet are gently cleansed with the Grounding Crystals with Rose petals, nourishing your skin and preparing you for your experience.

Using the curvature of the Kansa wand - a time-honoured Indian tool believed to calm the nervous system - cycles of infinity flow over the body creating a hypnotic rhythm that brings peace to your mind, freeing you from thoughts and feelings that no longer serve you.

The treatment concludes with a purifying clearing scent to signify the end of treatment, slowly bringing your awareness back to your surroundings, leaving you feeling blissfully relaxed and liberated.

The Modern Alchemy Empowering Ritual

PATH | MOON | POWER

This invigorating journey is influenced by the symbolism of the new moon, a lunar phase representing an awakening of the spirit that invites us to plant new desires and intentions.

Beginning with a foot bathing ceremony, feet are gently cleansed with the Grounding Crystals with Rose petals, nourishing your skin and preparing you for your experience.

The Anointing Oil smooths and nourishes the skin, while swift massage movements flow from your left side to your right, balancing your energy centres.

The long linear strokes and firm pressure work on the base of the muscle tissue to release tension with an intensity that's enhanced by Green Jade rollers - a crystal venerated for centuries for its empowering properties.

The treatment concludes with a purifying clearing scent to signify the end of treatment, slowly bringing your awareness back to your surroundings, leaving you feeling blissfully relaxed and liberated.
