DESCRIPTION OF THE CLASSES

VINYASA YOGA A dynamic sequence of poses, where breath and movement unite to create a powerful energising experience. The benefits of Vinyasa class are building strength, improving flexibility and finding balance.

ASHTANGA YOGA Ashtanga Yoga is a dynamic and structured practice that synchronizes breath with a series of progressive postures, promoting strength, flexibility, and mental clarity. This energetic flow helps to detoxify the body and calm the mind, offering a holistic approach to wellness.

GOLDEN HOUR YOGA Embrace the magic of sunset in Santorini with a serene yoga class set against breathtaking views of the Aegean Sea. As the sun dips below the horizon, let the calming energy of the environment guide your practice for an unforgettable experience of peace, balance, connection.

FLEX FLOW Unlock your body's full potential in this flexibility - focused yoga class. Through a series of gentle and dynamic stretches and poses, you'll improve mobility, increase flexibility, and release tension, leaving you feeling more open, balanced, and rejuvenated.

ABS The focus is on your abdominal muscles, your core muscles for a correct posture. These muscles need the correct exercise to support your movement and your physical look. 30 min of pure power workout!

Experience the guidance of our trainer to get in shape and feel strong!!

CROSS TRAINING Our Personal trainer guides you through the GYM with an active workout based on HIIT principles. You will sweat, your muscles are trained, and you feel that you have worked out!

Be prepared to workout and reach your physical limits, however we always will adapt to your individual needs.

HIKING The highlight of Santorini is the Caldera cliff, and hiking from Imerovigli to Oia is a wonderful way to experience the island's stunning scenery.

The experience begins with a transfer to **Andronis Concept Wellness Resort** and ends at **Andronis Arcadia Resort**, where you will enjoy breakfast.
